

THE POSITIVE COMMUNITY NORMS STUDENT SURVEY

FEBRUARY 2015

Positive Community Norms Student Survey

Lake of the Woods School District

Instructions

We need your help and honesty. This survey is part of a research study about your perceptions of the use of substances like alcohol, tobacco, and other drugs. You will not be asked to give your name. This is an anonymous survey, which means that nobody will know how you answered these questions. Only group results will be reported.

Please read each question carefully. There are no “right” or “wrong” answers. Some of the questions ask about your perceptions of other people in your school--just choose whichever answer you think is closest to the truth. This survey is voluntary. If you do not wish to respond to a question, you may leave it blank and continue. The results of this survey will be used for programs in your school and community. There are no negative consequences or rewards for participation.

Please answer each question by completely filling in the oval. By completing this survey, you are agreeing that we can use this anonymous information for our research. Please contact info@montanainstitute.com if you have additional feedback regarding this survey. Thank you for completing this survey.

Please do not write your name on the survey.
